0	1	2	3	4	5	6	A. Complete all CDL tests successfully	Notes:
							Pass written exams for Class A CDL with a minimum score of 16.	
							Perform basic control skills test with a maximum	
							score of 16, on driving range.	
							3. Pass commercial drivers license road test in Class A vehicle with a maximum score of 25, on street.	
							4. Perform CDL vehicle inspection with a minimum	
							score of 80%, on driving range.	
							Other:	
0	1	2	3	4	5	6	B. Comply with federal DOT hours of service	Notes:
U	1	_	3	•	3	U	regulations	Notes.
							Demonstrate knowledge of Dot regulations	
							governing hours of service with a minimum score of 80% on a written exam.	
							Demonstrate ability to maintain driver's daily log	
							current with no violations while driving on the	
							road. Other:	
0	1	2	3	4	5	6	C. Inspect vehicle consistent with industry and	Notes:
							safety standards 1. Conduct a daily inspection.	
							2. Record inspection in log book.	
							3. Identify the parts of an air brake system.	
							4. Explain air brake operations.	
							5. Have knowledge of out of service criteria.	
							Other:	
		l		l	l			
0	1	2	3	4	5	6	D. Hook and unhook tractor trailer	Notes:
							1. Back tractor fifth wheel beneath front of trailer in line with king pin, with no more than two pull	
							ups.	

							2. Unhook tractor from trailer then pull tractor forward and stop when fifth wheel is not supporting trailer but tractor frame is still beneath trailer.	
							Other:	
	<u> </u>			<u> </u>		I		
0	1	2	3	4	5	6	E. Shift gears	Notes:
							1. Demonstrate proficiency in shifting gears up	
							without forcing gears. 2. Demonstrate proficiency in shifting gears down	
							2. Demonstrate proficiency in shifting gears down without forcing gears.	
							Other:	
	1							
0	1	2	3	4	5	6	F. Turn the tractor consistent with industry, safety, and traffic standards	Notes:
							1. Use signals before lane change and at	
							intersections by turning on the signal a minimum	
							of 100 feet before changing lanes or turning at	
							intersections, and turning off the signal	
							immediately after completing the maneuver.	
							2. Select a speed that is compatible with intersection	
							design and traffic conditions before turning at	
							intersections.	
							3. Turn at through intersections in fifth gear or	
							fourth gear.	
							4. Turn from left lane into left lane, when turning	
							left at intersections.	
							5. Turn from right-hand left turn lane into right lane	
							when turning at intersections with two left turn	
							lane.	
							6. Turn from right lane into right lane when turning	
							right at intersections.	
							7. Check mirrors - left turn, left mirrors; right turn,	
							right mirror before initiating and while turning.	
							8. Use hand-over-hand steering when turning at	
							intersections.	
							Other:	
	1	1		l	<u> </u>	1		
0	1	2	3	4	5	6	G. Position the tractor trailer consistent with	Notes:
							industry and safety standards 1. Position vehicle in center of lane.	
							1. I osition venicle in center of fane.	
							2. Establish and maintain a safe following distance.	
							3. Observe entire driving environment (front, sides,	
							and rear) by remaining alert to changing driving	
						ļ	conditions.	
							4. Establish a reference point for lane position.	
							5. Position tractor trailer on scale.	
							Other:	

0	1	2	3	4	5	6	H. Drive the tractor trailer on the Interstate	Notes:
							highway system	
							1. Maintain control of the vehicle when entering or	
							exiting the interstate.	
							2. Demonstrate proficiency in using road atlas in	
							trip planning.	
							3. Demonstrate proficiency in safe lane changing and passing.	
							Other:	
0	1	2	3	4	5	6	I. Back the tractor trailer consistent with	Notes:
							industry and safety standards	
							1. Back straight in a lane 12 feet wide by 220 feet	
							long with no more than one pull up for	
							correction.	
							2. Back from a 45 degree angle into a dock 12 feet	
							wide without pulling forward for correction more	
							than four times.	
							Other:	
0	1	2	3	4	5	6	J. Complete all driver performance tests	Notes:
U	1	_	3	7	3	U	consistent with industry and safety standards	110165.
							Score no lower than 80% on "Identify Traffic	
							Signs" written test.	
							2. Score no lower than 80% on "Log Trip	
							Assignments" written test.
